

Young Artist Training Program - Tuition Assistance Application & Process

Dear Parent,

Thank you for your inquiry in to our tuition assistance program. As a nonprofit, 501 (c) 3 charitable organization, we solicit donations from individuals and corporations as well as write for special grants to enable us to provide tuition assistance to families in need for their children's performing arts training. Award funding is limited. However, the Board makes every effort to accommodate as many requests as possible with the funding available to us. Letters, information & requests submitted are handled by the Board of Directors with the utmost regard for privacy and confidentiality.

Each year, the board of directors looks at tuition assistance applicants to determine disbursements from available funding. The award amounts are determined based on several criteria. First, the amount of aid available is determined. Second, the family's ability to pay is determined based upon area mean income and extenuating circumstances/family expenses. Lastly, the proposed family contribution amount is reviewed. The family is then notified in writing by the Board of Directors of tuition assistance awards that may be available to them. Families receiving tuition assistance must reapply annually in May of each year. (See deadlines below.)

In fairness and privacy to all applicants, YATP Educational Director & Faculty Members must recuse themselves from committee deliberation and are not privy to family financial information from applicant families. Awards are need based, not talent based. Our goal is to see that no student who has been qualified for acceptance into our YATP program is ever turned away due to a concern of making tuition payments.

Steps to apply for tuition assistance:

- 1) **Email:** Contact info@ourproductions.org, noting the intention of applying for tuition assistance. Instructions will be provided on how to pay a reduced deposit/enrollment fee while awaiting determination. Applicants will return their online Enrollment Forms and Contracts via DocuSign and/or online (Summer Intensive) **at time of application.**
- 2) **Letter:** Submit a letter to the Board of Directors explaining desire for tuition assistance, and indicate the amount of assistance requested. **Make sure to include the amount you are able to contribute towards tuition.** Every family receiving tuition assistance contributes a portion of their tuition. Make sure to include a statement of any extenuating circumstances that affect your ability to pay tuition that might not be reflected on your tax return.
- 3) **Attachments:** Include a copy of the **most recent year's IRS tax return.** *Black out social security numbers for your protection.* In the case of divorce, **both** parent/custodial guardians must submit their returns as they have a vested financial interest in jointly caring for the child. It is up to the parents/guardians to handle the splitting or division of tuition payments in these cases.
- 4) **Submission:** Submit your **Letter, Enrollment Forms** (DocuSign or online), and **Tax Return** to info@ourproductions.org with Attn: Board of Directors, Tuition Assistance in Subject Line.

**Tuition assistance recipients and amounts are kept confidential by YATP and the recipient families.
Recipients still must comply with all student policies, requirements and deadlines to maintain enrollment.**

- Application deadline for Summer Intensive Students is May 1st.
- Application deadline for school year program is May 10th for RETURNING Students & June 10th for NEW Students.
- Late & emergency submissions are processed on a *case by case basis* as determined by the Board.
- Incomplete applications are not able to be processed.
- Make sure you **submit the required attachments.**
- Please allow 4-6 weeks for a response from the Board of Directors.
- **Award funding is limited.** For best outcomes, apply before deadline and submit a **complete application.**

Should you have any questions, reach out to the Committee via email and we will be happy to help.

Kindest regards,

Finance & Tuition Assistance Committee

Family Income Chart - Sample

**Please note:*

ALL APPLICATIONS ARE EVALUATED ON AN INDIVIDUAL BASIS.

*To qualify for any award amount in the below ranges, families typically had more than one child requiring tuition required program **and** liquid assets valued under \$500,000. In some cases, extenuating circumstances such as serious medical bills, a special needs child, caring for an elderly parent, major home repairs, or job losses justified assistance for higher income level families who might otherwise have been denied an award.*

*The below award range amounts are **estimates** based on previous data. Assistance is not guaranteed, and is made on a **case by case basis** after a careful review of submitted information and an annual review of availability of funds by the Tuition Assistance Committee.*

All student families contribute a portion of their tuition and fees. Awards are need-based, not talent based. If your family is struggling to pay tuition for any reason, we encourage you to apply.

An average of \$15,000 per year in awards have been granted.

Our goal is that every qualified child be able to attend our programs in order to make the arts accessible for everyone, and train the next generation of artists, patrons, board members, donors, and creatives.

All are welcome here.
